

INDIVIRTUS HEALTHCARE SERVICES PVT. LTD.

Indivirtus proudly  
announces its newly  
NABL Accredited  
Calibration Lab

### About Us:

Indivirtus (Indian company with virtuousness, character, courage, transparency & truthfulness having its base in Chandigarh, India) is a group of companies offering **cost effective solutions wrapped with quality.**

At Indivirtus, we take pride in offering exceptional calibration services, supported by our **NABL Accredited Calibration Lab** and strict adherence to **ISO/IEC 17025:2017** guidelines.

Our team of highly skilled technicians guarantees accurate and consistent results, empowering our clients to uphold the highest standards of quality and compliance. We are dedicated to delivering timely and cost-effective solutions that exceed expectations.

### OUR

**U**nique  
**S**elling  
**P**roposition

- NABL Certified Calibration Lab
- Experienced Team to perform Calibration and Validation
- Served 470+ clients in 45 countries
- Experienced auditors to conduct plant audits
- End to End Pharmacovigilance Services
- Experience of preparing 9000+ PDE/ADE & OEL Reports and 1800+ Genotox Evaluation Reports of Impurities
- Team with experience of conducting 100+ Phase III & 120+ Phase IV Trials
- Experienced Team to perform Technology Transfer
- Available 650+ Products for Tech Transfer to Regulated Market & 1200+ products for Non-regulated markets

For any query, please contact

## Electro Technical Calibration

- Temperature Indicator/Controller
- Frequency Meter
- Resistance Box
- Multimeter
- Clamp meter
- V.A.F. Meter
- Ohm Meter
- Milli Ohm Meter
- Multifunction Calibrator
- Multimeters – Digital/Analog
- Clamp meter
- Voltmeters – Digital/Analog
- Ammeters – Digital/Analog
- Voltage Source (Power Source)
- Current source
- Standard Shunt (AC/DC)
- Earth Leakage Current Tester
- Energy Meter
- 4-20 mA -10V Transducer
- Decade Box – Resistance/Capacitance/Inductance
- Megger/Insulation Tester
- Million-Megaohm meter /
- Micro Ohmmeter
- Resistance Meter
- Capacitance Meter
- LCR meters
- Function Generator / meter
- Earth Testers
- Frequency Counters
- Stopwatch
- Timer/Counter
- Time Totalizer

## Mechanical Instruments Calibration (Pressure)

- Compound Gauge
- Magnehelic Gauge
- Pressure Gauges/ Indicators
- Vacuum Gauges / Indicators
- Pressure Switches / Transmitters
- Vacuum Switches / Transmitters
- Differential pressure gauges
- Differential Vacuum Gauges
- Pressure Recorders

## Mechanical Instruments Calibration (Mass & Volume)

- Weighing Balance
- Weighing Scale
- Weight Box
- Micropipette
- Pipette
- Burette
- Measuring cylinder
- Volumetric Flask
- Graduated Jar/Can

## Thermal Calibration

- Temperature Gauge
- Thermo Couple / RTD / Sensor
- Thermometer
- Muffle Furnace
- Oven/ Incubator
- Temperature Indicator / Controller with sensor
- Temperature Transmitters
- Temperature Recorders
- T+RH Meters
- Data loggers
- Hygrometers
- Humidity Transmitters
- Temperature
- Oven
- Bath
- Furnace
- Environmental Chambers
- IR Thermometers
- Pyrometers
- Thermal Imagers

### Speed

RPM Meter  
Tachometer  
Centrifuge m/c

### Conductivity

Conductivity Meter  
Conductivity Sensor  
Conductivity Transmitter

### Accoustics

Sound Level Meter  
  
Lux  
Lux Meters

### ORP Meter

Level Transmitter  
TDS Meter  
pH Meter

## Thermal Validation (Temperature and RH Mapping)

- Autoclave
- Cold Storage Room
- Humidity Chamber
- DHSRM Store
- Furnace
- Stability Chambers
- Freezer Dryer
- Deep Freezer
- Vacuum Oven
- Tunnel
- BOD Incubator
- Area Mapping
- Cooling Cabinet
- Refrigerator
- Water Bath
- Heating Block
- Lyophilizer
- Drying Oven

## OUR OTHER SERVICES

### SERVICES FROM PLANT SETUP TO MARKETING

GREENFIELD/ BROWNFIELD PROJECTS

VALIDATION AND CALIBRATION

REGULATORY APPROVALS FOR PLANTS

TECHNOLOGY TRANSFER (API & FP)

REGULATORY AFFAIRS & COMPLIANCE

CLINICAL TRIALS & PHARMACOVIGILANCE

TOXICOLOGICAL RISK ASSESSMENT (PDE/OEL REPORTS)

PROMOTIONS OF PRODUCTS TO OVERSEAS MARKETS
